

Phi Delta Theta Parents Association

Welcome to the Phi Delta Theta Parents Association! This is your way of staying connected in your son's fraternity life and his college experience. We believe that parent involvement is crucial to the success of our young men at Mississippi State and Phi Delta Theta fraternity.

Your investment in the Association results in valuable benefits for you and your son:

1. You are showing your support for your son's fraternity and you will get to meet the boys AND THE PARENTS that are shaping your son's views of fraternity life and Mississippi State.
2. Funds support house projects and the fall rush party (a Phi Delt tradition). This is a wonderful opportunity for parents and sons to participate in a portion of rush week together. All the food that night is provided by the Association.
3. We meet formally twice a year (at Homecoming and the day after Casino Royale) and it's FUN!

Parent Association dues for 2017-2018 will be \$100.00 per year or \$50.00 per semester. If you are new to Phi Delta Theta this year, this is being added into your son's dues as a separate charge and will go directly to the Parent's Association treasurer, Robbin Jones. However, if you are currently the parent of an Active Member of Phi Delta Theta, than the dues must be sent to Mrs. Jones at 6 Woodstone Ridge, Hattiesburg, MS 39402.

2016-2017 Parent Association Officers:
